GENEVA – This morning, UNHCR, the UN Refugee Agency, and Qatar Charity (QC) signed a cooperation agreement aimed at supporting UNHCR protection and assistance activities for refugees and displaced persons globally.

The agreement was signed at the Palais des Nations in Geneva in a ceremony attended by Filippo Grandi, UN High Commissioner for Refugees, and H.E. Sheikh Hamad bin Nasser bin Jassim Al Thani, Chairman of Qatar Charity.

Spanning over a period of five years, the agreement formalizes a commitment by Qatar Charity to support and fund UNHCR's programmes, through a minimum annual contribution of USD 3 million.

"UNHCR welcomes this commitment by Qatar Charity, whose support has proven invaluable," said Grandi.

"With the number of forcibly displaced persons remaining at an unprecedented level, support from our partners is now needed more than ever. We look forward to building on this collaboration with Qatar Charity in addressing global humanitarian and displacement challenges," he added.

Through the support of Qatar Charity, UNHCR has delivered essential humanitarian assistance to more than 209,000 refugees and internally displaced persons in Myanmar, Iraq, Syria, Yemen, Lebanon and Bangladesh.

"UNHCR and QC's strategic partnership is a long standing one, which spans over many years, through which Qatar Charity has continuously been supporting UNHCR's efforts to protect and serve refugees, and this gives us great pride to support their work," said Al Thani. "Qatar Charity is committed to alleviating the plight of vulnerable populations and investing in programs that continuously safeguard their dignity", he continued.

Qatar Charity is a non-governmental organization, established in 1992, dedicated to carrying out humanitarian and development programs to fight global poverty by working in partnership with vulnerable communities.

UNHCR, the UN Refugee Agency, is a global organization dedicated to saving lives, protecting rights and building a better future for refugees, forcibly displaced communities and stateless people.
